

Dart Group PLC ("the Company")

Block admission

Following the Company's notification of block admission information issued earlier today, the Company has applied for 500,000 new ordinary shares of 1.25p each ("Ordinary Shares") to be admitted to trading on AIM under a new block admission. The block admission relates to Ordinary Shares which could be issued pursuant to the exercise of options under employee share option schemes in the future.

It is anticipated that the admission will become effective on 8 April 2010.
